

Letter of Introduction

We would like to introduce *God's Plan for His Disciples*, a workbook for establishing and strengthening disciples. By following a biblical model found in the Early Church and recorded in the Book of Acts, this can result in the world being turned upside down. We believe this tool is relevant for today's Church and disciples, because it establishes them in:

- **The authority and sufficiency of Scripture and the Holy Spirit.**
- **The significance of Water Baptism and the Lord's Supper.**
- **How to study and use the Bible for themselves and others.**
- **The Gospel of Pure Grace, the Purpose and Eternal Plan of God, and the roles of God's Family or Household.**
- **Their Life and rich inheritance "in" Christ**
- **The privilege to walk through Life "with" Christ.**
- **Developing a Daily Quiet Time with the Lord.**
- **A path to maturity and a pathway into Leadership by studying God's Plan for His Church.**
- **Help for Training Oral and Visual Learners**
